## SUMMARY

---

I am a graduate of Informatics Engineering from Catur Insan Cendekia University, Cirebon. I have a particular interest in design and web development. I possess foundational knowledge in web development, including HTML, CSS, JavaScript, PHP, MySQL, and basic skills in User Interface (UI) design using tools like Figma. I also have a strong work ethic, good communication skills, and the ability to work well in a team. I am committed to continuously improving my skills and am eager to learn more about web development.
